278. It is the intention that the lien herein will be secondary and subordinate to the lien of any mortgage loan made by a bonafide lending institution, regardless of the time such mortgage is placed of record.

29.30. Should any provision or part thereof of this Declarations be invalidated by law, regulation or court decree, such invalidity shall in no way affect the validity of the remaining provision or parts thereof.

30. Amendment. This Declaration may be amended by an affirmative vote or written consent of at least two-thirds (2/3) of the lot owners in Unit 2 who are entitled to vote on the proposed amendment. Amendments may either be proposed by the Board of Directors of the Association, or by a petition signed by at least thirty-three percent (33%) of the lot owners entitled to vote on such proposed amendment. If the proposed amendment is approved, a Certificate of Amendment shall be signed, with the same formalities required for a deed to real property, by the President or Vice-President.
